Connecting to WiFi and Optional Donation

Simply connect to the “Mana&Mettle-5G” wifi service (no password), or if you have an older device that can only do 2.4GHz, then connect to “Mana&Mettle-2G” (no password). Please consider making a small contribution (\$3 - \$5 suggested) to the donation jar to help offset the costs of running this event.

Obtaining Tickets for Prize Draws

Blue tickets give you a chance to win the random draws at the end of the evening for **medium** prizes of unique artisan items and smaller Blizzard store items. One is awarded to every person to thank you for coming to this event.

Red tickets give you a chance to win the random draws for **large** prizes of more expensive Blizzard store items. A red ticket is also awarded to those who bring a friend to the event.

You can obtain additional tickets by doing various activities in the sections below. Feel free to browse the prize tables to see what could be won. Draws will be held at the end of the event.

The Kobolds & Catacombs Boss Abilities Challenge

Whether you have played against all the new bosses in dungeon runs yet or not, try to decode the crafty flavor text that describes their hero power or special ability. For your first attempt of this challenge only, collect a blue ticket for 5 or more answers correct, or a red ticket for 8 or more correct, or both red and blue tickets if you succeed in all 10 answers correct!

You Take Candle!

Candles! To continue celebrating the Kobolds and Catacombs expansion, all players receive a candle from the treasure chest to start the evening. Challenge as many players in the Tavern as you can, for each time you win you can take their candle! Defeated players visit the chest to replace their candle. A red ticket is awarded for every 4 candles you turn in.

Playing the Fireside Brawl “Hall of Champions”

Ensure your device (laptop, tablet, phone) has location awareness enabled for the Hearthstone app to detect that you are present at the Mana and Mettle Tavern via our free WiFi service or your cellular data plan to access the Fireside Brawl. If you encounter any difficulties, please ask the Innkeeper or his assistants to help resolve the issue.

In the Fireside Brawl, you play with a randomly chosen pre-built deck from Hearthstone World Champions Firebat, Ostkaka, and Pavel **exactly** as they were in 2014, 2015, and 2016! Challenge as many players in the Tavern as you can. A red ticket is awarded for completing the Fireside Brawl challenge sheet. See if you can identify the old card versions that are no longer in the meta.

Deckbuilding Challenge and Mini-Tournament

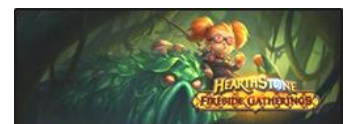

You and 3 others will play a mini-tournament using interesting/crazy decks and match rules. You will each draw a random deckbuilding challenge card from the stack of 36, then discover which hero you will be playing (draw 3 from deck of 9 and choose 1), construct your deck for 10 minutes following the rules dictated by the challenge card you drew, then play matches against the other 3 players (single game match, or best 2 out of 3 match, whatever your group decides). A blue ticket is awarded to all who participated, a red ticket is awarded to the tournament winner of your group of 4.

Completing Tavern Quests

Between games, feel free to do some of the fun little Tavern Quests we have prepared and collect the token cards to work towards redeeming them for a fancy Blizzcon pin and Hearthstone lint screen cleaner cloth! The Tavern Quest sheet has nine quests that each reward a blue ticket when completed. Some quests can be done again even if you completed them at a previous event, to earn new blue tickets at this event.

Nemsy Necrofizzle

Simply complete a Fireside Brawl (see previous section) while logged in with your account, and the new warlock hero portrait will be enabled for you. Enjoy her cute and quirky emotes!

Having Fun and Making New Friends

Enjoy getting to know other players, and maybe invite their Battlenet tag on your Hearthstone friends list. Please let the Innkeeper know how the event went for you, see you at the next event, and remember to bring your friends!
