

Fireside Gathering Activities Dec 14th, 2017

Well met! Thank you for coming tonight to our casual Hearthstone social gathering at the “**Mana & Mettle Tavern**”.

Tonight’s activities include:

- Connecting to WiFi and Optional Donation
- Obtaining Tickets for Prize Draws
 - The Kobolds & Catacombs Boss Abilities Challenge
 - Playing the Fireside Brawl “Top2: Innkeeper’s Choice”
 - Completing Tavern Quests
- Obtaining the warlock hero portrait Nemsy Necrofizzle
- Having Fun and Making New Friends!

Connecting to WiFi and Optional Donation

Simply connect to the “Mana&Mettle-5G” wifi service (no password), or if you have an older device that can only do 2.4GHz, then connect to “Mana&Mettle-2G” (no password). Please consider making a small contribution (\$3 - \$5 suggested) to the donation jar to help offset the costs of running this event.

Obtaining Tickets for Prize Draws

Blue tickets give you a chance to win the random draws at the end of the evening for **medium** prizes of unique artisan items and smaller Blizzard store items. One is awarded to every person to thank you for coming to this event.

Red tickets give you a chance to win the random draws for **large** prizes of more expensive Blizzard store items. A red ticket is also awarded to those who bring a friend to the event.

You can obtain additional tickets by doing various activities in the sections below. Feel free to browse the prize tables to see what could be won.

The Kobolds & Catacombs Boss Abilities Challenge

Whether you have played against the new bosses in dungeon runs yet or not, try to decode the crafty flavor text that describes their hero power or special ability. Collect a blue ticket for 5 or more answers correct, or a red ticket for 8 or more correct, or both red and blue tickets if you succeed in all 10 answers correct!

(continued on the other side...)

Playing the Fireside Brawl “Top2: Innkeeper’s Choice”

Ensure your device (laptop, tablet, phone) has location awareness enabled for the Hearthstone app to detect that you are present at the Mana and Mettle Tavern via our free WiFi service or your cellular data plan to access the Fireside Brawl. If you encounter any difficulties, please ask the Innkeeper or his assistants to help resolve the issue.

Candles! To celebrate the launch of Kobolds and Catacombs, all players pick a candle from the chest to start. In the Fireside Brawl, you choose one card and 15 copies go into your deck to join with 15 copies of the card chosen by the Innkeeper. Challenge as many players in the Tavern as you can, for each time you win you can take their candle! Defeated players visit the chest to replace their candle. A red ticket is awarded for every 5 wins against different players by turning in your candles. You may find that the Innkeeper’s card changes throughout the evening. Please keep it a secret so others can enjoy the surprise.

Completing Tavern Quests

Between games, feel free to do some of the fun little Tavern Quests we have prepared and collect the token cards to work towards redeeming them for a fancy Blizzcon pin and Hearthstone lint screen cleaner cloth! The Tavern Quest sheet has nine quests that each reward a blue ticket when completed. Some quests can be done again even if you completed them at a previous event.

Nemso Necrofizzle

Simply complete a Fireside Brawl (see previous section) while logged in with your account, and the new warlock hero portrait will be enabled for you. Enjoy her cute and quirky emotes!

Having Fun and Making New Friends

Enjoy getting to know other players, and maybe invite their Battlenet tag on your Hearthstone friends list. Please let the Innkeeper know how the event went for you, see you at the next event, and remember to bring your friends!
