

Fireside Gathering Activities Nov 9th, 2017

Well met! Thank you for coming tonight to our casual Hearthstone social gathering at the “**Mana & Mettle Tavern**”.

Tonight’s activities include:

- Connecting to WiFi and Optional Donation
- Playing the Fireside Brawl
- Obtaining the warlock hero portrait Nemsy Necrofizzle
- Completing Tavern Quests
- Obtaining Tickets for Prize Draws
- Having Fun and Making New Friends!

Connecting to WiFi and Optional Donation

Simply connect to the “Mana&Mettle-5G” wifi service (no password), or if you have an older device that can only do 2.4GHz, then connect to “Mana&Mettle-2G” (no password). Please consider making a small contribution (\$3 - \$5 suggested) to the donation jar to help offset the costs of running this event.

Playing the Fireside Brawl: “A Spirited Competition”

Ensure your device (laptop, tablet, phone) has location awareness enabled for the Hearthstone app to detect that you are present at the Mana and Mettle Tavern via cellular data plan or our free WiFi service to access the Fireside Brawl. If you encounter any difficulties, please ask the Innkeeper or one of the assistants to help resolve the issue.

Using your decks, play against other players in the tavern. Your number of wins will be tracked throughout the evening and presented after each game. When each game starts, if you have more wins than your opponent, then as the favoured player you will choose one of three mild buffs, while if you have less wins than your opponent, then as the underdog player you will choose one of three stronger buffs.

Try to battle as many different players as you can.

Nemsy Necrofizzle

Simply complete a Fireside Brawl (see previous section) while logged in with your account, and the new warlock hero portrait will be enabled for you. Enjoy her cute and quirky emotes!

(continued on the other side...)

Completing Tavern Quests

Between games, feel free to do some of the fun little Tavern Quests we have prepared and collect the token cards to work towards redeeming for a fancy Blizzcon pin and Hearthstone lint screen cleaner cloth! Please see the Tavern Quest sheet for details.

Obtaining Tickets for Prize Draws

There are blue tickets that are awarded just for coming to this event, and also for completing Tavern Quests whether for the first time or repeating again tonight. These blue tickets will give you a chance to win the random draws at the end of the evening for medium prizes of unique artisan items and smaller Blizzard store items.

There are red tickets that are awarded for completing the Fireside Brawl and achieving either 7 wins as the favoured player or 5 wins as the underdog player. A red ticket is also given for bringing a friend to the event. These red tickets will give you a chance to win the random draws for large prizes of more expensive Blizzard store items.

Feel free to browse the prize tables to see what could be won.

Having Fun and Making New Friends

Enjoy getting to know other players, and maybe invite their Battlenet tag on your Hearthstone friends list. Please let the Innkeeper know how the event went for you, see you at the next event, and remember to bring your friends!

This activity list brought to you by the “Mana and Mettle Tavern”.
